

Iron County Register

Charleston Enterprise: "The size and height of some of the trees as observed in this (Mississippi) county: There are Sycamores that measure 43 feet in circumference and 65 feet high; Cottonwood, 30 feet in circumference and 125 high; pecan, 18 feet in circumference and 130 high and 80 to limbs; rock chestnut 18 feet in circumference and 110 high; sassafras 9 feet in circumference, 70 high; white ash 16 feet in circumference and 100 high; persimmon 9 feet in circumference and 80 high; redbud 6 feet in circumference and 30 feet high; wild plum 4 feet in circumference and 25 high; hornbeam 4 feet in circumference and 45 high; pawpaw 3 feet in circumference and 30 high, and an alder bush that is 15 feet high."

Dr. L. T. Hall, of Potosi, has been appointed U. S. Examining Surgeon, and a more capable or worthy man could not have been selected. Some "lool" cuss, however, who no doubt did his duty at home by the fireside during the war, raising grain and hogs to grub the soldiers at fancy prices, "kicked" at the appointment because Dr. H. "had been in the rebel army." The Bonne Terre Register says that when it became known there that such objection had been raised, the ex-Union soldiers of that place "embracing the names of C. B. Parsons, J. B. Wilde, G. W. Hughes, all of whom held official position in the army, and a number of others, indeed so far as we know every ex-Union soldier approached on the subject, signed a paper expressive of their entire confidence in the integrity and fitness of Dr. Hall for the position, and expressing a desire to have him retained. The ex-Union soldiers, several of whom at this place have claims pending, certainly are the right parties to speak in the premises, as they are the only ones whose interests are affected by the appointment. This action on the part of the old soldiers of the Union army shows a spirit of magnanimity that is worthy of praise. We hope too that it may not be without influence in behalf of one whom we know to be one of the most worthy men of Southeast Missouri."

They've been having "a rare old-fashioned time"—a fire-water knock-down and drag-out—down in Fulton county, Arkansas, according to the Salem Informer. A jamboree—into which entered "whisky, knives, blood, bruises, and torn female paraphernalia, intermingled with sobs, tears, and the yliest oaths known to the human family." Nelson Smith and James Campbell were the principals, with Campbell's wife as the *pièce de resistance* for Smith's playful antics. She is a "small delicate woman," and therefore Smith seized her and began "mopping her around the floor, over chairs, bruising her arms and body and nearly stripping the clothing from her body. Campbell quieted the "muss" and took Smith to his residence, and returned home. Smith soon began to abuse his own family, and Campbell was called to come and make peace. As soon as he entered Smith's residence the latter ordered him to leave, and as he turned to go, knocked him down with a bucket and began pounding him. At this juncture Campbell drew a pocket knife and stabbed Smith twice in the back, near the kidneys, which freed him from his antagonist. Campbell started home shouting "he could whip the town" when Tom Hopkins assaulted him with a pair of iron hames, striking him over the head and neck, inflicting several severe wounds. Campbell and Smith are both prostrated, and it is thought the latter will have a hard tussle to pull through with life."

Do You Want Good Fruit Trees?

If you do, we can give you no better advice than to call on A. K. Sutton, proprietor of the Arcadia Valley Nursery. He has Apples, Pears, Peaches, Cherries, Plums, Strawberry Plants, etc., of every variety. Most of the fine fruit grown here in this season is from trees taken from his Nursery, which is rapidly acquiring an excellent reputation. The trees grown in this climate are certainly better suited to this section than those imported from a distance, and our people appear to have at length become aware of the fact. We can commend Mr. S. unequally to every reader of this paper, and his word can be depended upon at all times. Orders by mail for trees from responsible parties will receive prompt attention.

TO THE WEST.

There are a number of routes leading to the above mentioned section, but the direct and reliable route is via Saint Louis over the Missouri Pacific Railway. Two trains daily are run from the Grand Union Depot, Saint Louis to Kansas City, Leavenworth, Atchison, St. Joseph and Omaha. Pullman Palace Sleeping Cars of the very finest make are attached to all trains. At Kansas City Union Depot, passengers for Kansas, Colorado, New Mexico and California connect with express trains of all lines. At Atchison, connection is made with express trains for Kansas and Nebraska points. At Omaha, connection is made with the Overland train for California.

This line offers to parties en route to the West and Northwest, not only fast time and superior accommodations, but beautiful scenery, as it passes through the finest portion of Missouri and Nebraska. Send for illustrated maps, pamphlets, etc., of this line, which will be mailed free.
